

**HOLY FAMILY SCHOOL
AFTER SCHOOL PROGRAM**

August 2018

The Holy Family School After School Program runs from 2:30-6:00 P.M. five days per week. The program is in operation the first day of school through the last day of school. This program is designed for our elementary students in Grades K-8. The procedure is simple. Complete the attached form and return it to school the first week. Parents should write notes to the students' teachers on the day the child/children will be attending the program. This flexible program may be used once a year for an hour, or as many times as you need it. Parents are responsible for picking up their children promptly at Holy Family School at or before 6:00 P.M. **PLEASE NOTE: All parents/guardians are mandated to enter the building and sign the child out from the after school classroom. FOR SAFETY REASONS, NO CHILD WILL BE RELEASED WITHOUT A PARENT/GUARDIAN SIGNATURE.**

The students will be offered the following activities: games, crafts, movies, supervised study time, outdoor play (weather permitting) use of the school gymnasium- schedule permitting. They are also provided with a snack and a drink.

PHILOSOPHY: An after school program was developed in accord with the Holy Family School philosophy. At Holy Family, the school is viewed as an extension of the family, an extension of the Church, and an instrument of the sign of Christ in the world today. The staff of Holy Family seeks to create for its children an environment which has Christian goals at its core- a community of faith- a witness to its Christian commitment. In this atmosphere a student is able to develop a Catholic, Christian identity along with the development of moral, intellectual, and physical endowments. The Holy Family staff utilizes the opportunity through Christian education to help students acquire virtues, habits, and skills of mind and heart required for effective living in society. Thus, in response to the need of today's families, we offer this secure, loving environment for those parents seeking care for their child/children.
