

Your Sponsorship Will Make a Difference!

When you help sponsor a Holy Family School **classroom, student** or **both**, you are making an important difference in the lives of young people.

While our other **Adopt-a-Classroom** and **Adopt-a-Student** fundraising activities have been a great boost, **new developments in technology** and **increased applications for assistance** mean that our classrooms and students still need your help.

Take a look below at the ways these programs make a difference for Holy Family classrooms and individual students, and choose from the sponsorship levels on the other side. Donations are **tax-deductible** and can be made in the name of an **individual, family, business** or **memorial donation**.

Thank you for your thoughtful consideration. Your generosity will enable us to continue building brighter futures, one Holy Family student at a time.

Adopt a Classroom

Bring new technology to a classroom

With Adopt-a-Classroom, your sponsorship:

- Adds new technology to classrooms
- Enhances our curriculum to meet today's challenges
- Provides continuing education for faculty

Technology is continually improving, and equipment quickly becomes obsolete. Thanks to last year's Adopt-a-Classroom program, we've already begun updates. Funds have enabled us to upgrade the computer lab, purchase a new server, and buy laptops for some teachers. This year, we are hoping to obtain the remaining laptops as well as iPad carts (25 devices each) for both primary and intermediate grades.

Adopt a Student

Help a student get a great education

With Adopt-a-Student, your sponsorship:

- Provides tuition assistance for a student K-8 to attend Holy Family School
- Enables a student to get a great education
- Helps instill values and ethics as a part of the student's learning experience

This year, more than 20 families have benefited from tuition assistance. However, we still have families who need your help. This is a wonderful opportunity to support a student who might otherwise not be able to attend a Catholic school.
