Our family understands that our relationship with Holy Family School is contractual and contingent upon our cooperation with the philosophy, policies, and procedures of the school. I have received or have access to a copy of the Family/Parent Handbook (found on the Holy Family web site-current families, important forms) that contains the school's policies, and adherence to them is condition for admission and continued enrolment by the student. I understand that this agreement is for the 2021-2022 school year, and continued attendance at Holy Family School will be determined annually.
