

Dear Holy Family Community,

It is with great pleasure that I write this letter to you as the incoming principal of Holy Family School. I hope that this note finds you enjoying the rejuvenating days of summer and that you and your children are looking forward to beginning a wonderful school year together in August. It is truly an honor to become a part of the Holy Family School and community. Even though I have only had limited interactions with the faculty and parents thus far, I can already tell that it is a unique and special place that I am incredibly blessed to become a part of.

I come to you with 28 years of experience as an educator. I spent 7 years teaching Special Education at the elementary and middle school level and the remainder as Assistant Principal, Special Education Supervisor, and Principal. Most recently I have served as a Vice Principal at St. John's and St. Thomas Aquinas having served all grade levels.

This summer, I spent the majority of my time working with Mrs. Stoops and Father Martin to ensure a smooth transition. I am getting to know our building, our community, and familiarize myself with the unique needs of our school. I believe wholeheartedly that every student deserves a quality education and that only happens when the school and the families work together for the best interests of our children. With that in mind I will be calling on all of our faculty, staff, and parents to work as a singular unit so we can best serve our children.

I am truly honored to be given this opportunity and look forward to immersing myself completely in our school and in our community. I believe my main responsibility is to put our teachers in the best possible position to succeed, as they will in turn put our children in the best possible position to learn. I look forward to meeting all of you and please do not hesitate to contact me with any questions, concerns or ideas you would like to share.

Best Regards,

Laura Parise
