

## SCRIP NEWS

Dear Parents,

1-5-22

We would like to thank you all for the overwhelming support of the SCRIP program both from the school and parish community. SCRIP will ONLY be sold at the following times:

Thursday 7:30-8:30 am in the school (teacher's lounge)

Saturday after 4:00 mass and Sunday after 10:00 mass.

We will no longer be able to accept and fill orders outside of these hours. The after-hour pick-up was put into place when the schools and churches were closed or at limited availability. Now that the school and church are open, we can no longer fulfill the orders as well as balance full time work and home. We thank you for your understanding. Also, the SCRIP program runs on a fiscal calendar ending June 30, at this time is zeroed out and all rebates are distributed to both families and the school/church programs the program helps to fund. Therefore, we will be unable to accept ant certificates issued prior to the current fiscal year. This puts the program at a negative balance since the funds used to purchase the certificates have already been dispersed, which cripples the inventory and cash flow.

Again, we thank you for all your continued support and understanding as we continue to keep this program running for the support of our School and Church Community.

Sincerely,  
The SCRIP Ladies
